

# Southern Electronics 2024 6th - 8th February 2024 Southern Manufacturing 2024

Date: 15 Dec 2023  
Issue: 1992

## ELECTRONIC COMPONENTS & SUBCONTRACTING

## TEST, MEASUREMENT & INSPECTION

## PRODUCTION MACHINERY & TOOLING

## MATERIALS & COMPOSITES

## AEROSPACE

The main exhibition floor plan is a grid of booths, each labeled with a company name and a booth number. The booths are color-coded according to the sales key. The plan is divided into several main sections: Electronic Components & Subcontracting (top left), Test, Measurement & Inspection (top center), Production Machinery & Tooling (top right), Materials & Composites (middle right), and Aerospace (far right). Other sections include PCB Design & Manufacture (bottom left), CEM/EMS (bottom center-left), Electronic Production (bottom center), and Packaging, Logistics & Handling Automation & Robotics (bottom right). There are also seminar rooms, food & drink areas, and an entrance marked with an arrow.
